To the Hon. the Speaker of the House of Representatives of the Legislature of Washington.

Sir!

By the provisions of Sec. 4, of an act creating the office and defining the duties of Territorial Auditor, approved Jan. 25th 1869

it is made the duty of the Territorial Auditor to "digest and prepare" a report to the Legislative Assembly, at the commencement of each session. In pursuance of said act a report has been duly prepared. But in view of the importance of many matters therein referred to, it was deemed advisable as a means of bringing those matters more speedily and tangibly to the notice of the members of both branches of the Legislature, to have the report submitted in printed form, which involved the necessity of printing in advance of the session. The report, therefore was placed in the hands of the printer some days since for that purpose, but I regret to say, up to this time it is not completed. The printer informs me however that the report will be ready for delivery within a very few days. Trusting that this letter of explanation will be satisfactory, and the course pursued in the matter meet the approval of your Honorable Body, I have the honor to be

Very Respectfully
Your Obt. Servant.

H. J. R. No. 11 Respect to the memory of Clarick Crosby, deceased.

Which reads as follows:

Mr. Speaker.

The dull and subdued shades of the funeral note, the visible emblems of mourning, speak of sadness and bereavement in one word. These can but touch the heart with deepest sensibility. The sorrowful duty devolves upon me of announcing to this House, that one who has repeatedly occupied a seat in the Legislative Halls of this Territory, and who has been called to the presiding chair in either branch of the Legislature has passed away. After many months of patient suffering from paralysis, endured with fortitude and Christian spirit, Hon. Clarick Crosby has been called from the scenes of earth.

Capt. Crosby was a member of this House during the session of 1863—4 and was elected Speaker presiding over the deliberations of the session with marked ability and satisfaction. At a subsequent session he was member of the Council and was chosen President of that body, a trust worthily bestowed on one whose prominence and ability inspired the confidence and respect of his associates in the public Councils of the Territory. But we need not here speak of his public services nor of those bright elements of his character which gave eminence to his station in life, nor yet of his personal and social qualities as a citizen in the community — a manly dignity ever remarked his intercourse with his fellows, candid, sincere, benevolent and just.

Capt. Crosby was born at Brewster, Mass. in the year 1814 Died Oct 22nd 1879 at his home in Tumwater was a resident of this Territory since 1850, and it is eminently proper that in this Legislative Assembly, where he once exerted an influence in wise council, be marked and prominent, we should pay the respect due to the memory of him whose death we thus announce, . Therefore;

Resolved That this House and Council has heard with deep regret, the announcement of the death of Hon. Clabriel Crosby formerly a member of this House from Thurston County.

Resolved, That as a testimony of respect to the memory of the deceased, the officers and members of the House and Council will wear the usual badge of mourning during the continuance of this session and that both House and Council attend the funeral on Friday the 24th inst at 10 o'clock AM

Resolved, That the Clerks of the House and Council be requested to communicate by copy these proceedings to the family of the deceased.

Mr. White moved.

That when this body adjourns we adjourn to meet at 2 o'clock to morrow afternoon in order to give the members an opportunity to attend the funeral of deceased.
